21 October 2012

Well done, North West Province.

The Speaker of the North West Provincial Legislature, Hon. Supra Mahumapelo, congratulates the daughter of the North West Province, Botlhale Boikanyo, for being a true ambassador of abundant talent in the North West Province.

She has joined the likes of Presley Chweneyagae in demonstrating the immaterial riches of the North West Province.

Further, the Speaker thanks the multitudes that heeded the call made by himself and many others for people to rally behind the young Botlhale Boikanyo.

Lastly, the Speaker wishes her and her beloved wisdom, strength and courage on the many challenges that come with her victory. Let's continue rally behind the "Go North West" campaign.

Ends.
